

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

6. (currently amended) A grip device, comprising:
 - (a) at least two opposable digits;
 - (b) a drive linkage configured to enable the two opposable digits to grip; and
 - (c) digit tip pads with a pouch connected to the end of each digit; and
 - (d) a hydrostatic fluid filling the pouch, wherein the hydrostatic fluid remains within the pouch to allow a grippable a better grip on an object being held.
